

Declaration according to §16 (Assurances) Examination Regulations for the doctoral programme in Economic Sciences

1. The opportunity for the existing doctoral project was not made commercially available to me. Especially, I have not engaged any organisation that seeks thesis advisors against a fee for the preparation of dissertations or performs my obligations with respect to examination components entirely or partly.
2. I declare that I have prepared the submitted dissertation (**Essays in Development Economics: Democracy and Education**) independently and without prohibited aids; I have not accepted external help either free-of – charge or against a fee and will maintain this also in the future. I did not make use of any aids and papers other than those indicated by me. I have marked all word-by-word (direct) or implied citations of the writings by other authors.
3. I will adhere to the guidelines to ensure good scientific practice at the University of Göttingen.
4. No equivalent doctoral studies have been applied for at a different university in Germany or abroad; the dissertation submitted or parts thereof have not been used in any other doctoral project.
5. Furthermore, I am aware of the fact that untruthfulness with respect to the above declaration repeals the admission to complete the doctoral studies and/or subsequently entitle termination of the doctoral process or withdrawal of the attained title.
